

First Open Online

Apr 9 - 17

Discover an outstanding selection of works by established and emerging Post-War and Contemporary artists in FIRST OPEN. This online auction features more than 100 works at enticing estimates across a range of media including painting, photography, drawing, collage and sculpture. Among the highlights are works by German masters Günther Förg and Sigmar Polke, great American artists Dan Flavin, Sam Francis and Peter Halley, a strong selection of contemporary female artists including Karin Kneffel, Kristin Baker and Helen Marten, and, from the esteemed Pedrini collection, an iconic television sculpture by Nam June Paik.

Bidding begins on 9 April at 3pm and closes on 17 April at 3pm. Works will be on view at our London King Street galleries from 6 - 17 April.
